Chairman's Remarks

Thanks again to our friends at APICS New Haven for including our section last month for the presentation by Author and Historian John Laurence Busch. His talk about the first steamship crossing of the Atlantic from his book Steam Coffin was honestly one of the best presentations I've ever had the pleasure of listening to.

This month we'll honor the Scholarship recipient at our meeting which has been an annual tradition for many years.

There won't be any meetings for our section for July and August. I wish you all safe travels and the best of times if your summer plans include a Vacation. We'll meet up again in September as usual. Please try to make one or more of our meetings if you haven't yet, and my personal thanks to all who supported our section this past year.
