

Perspective of a young quality professional

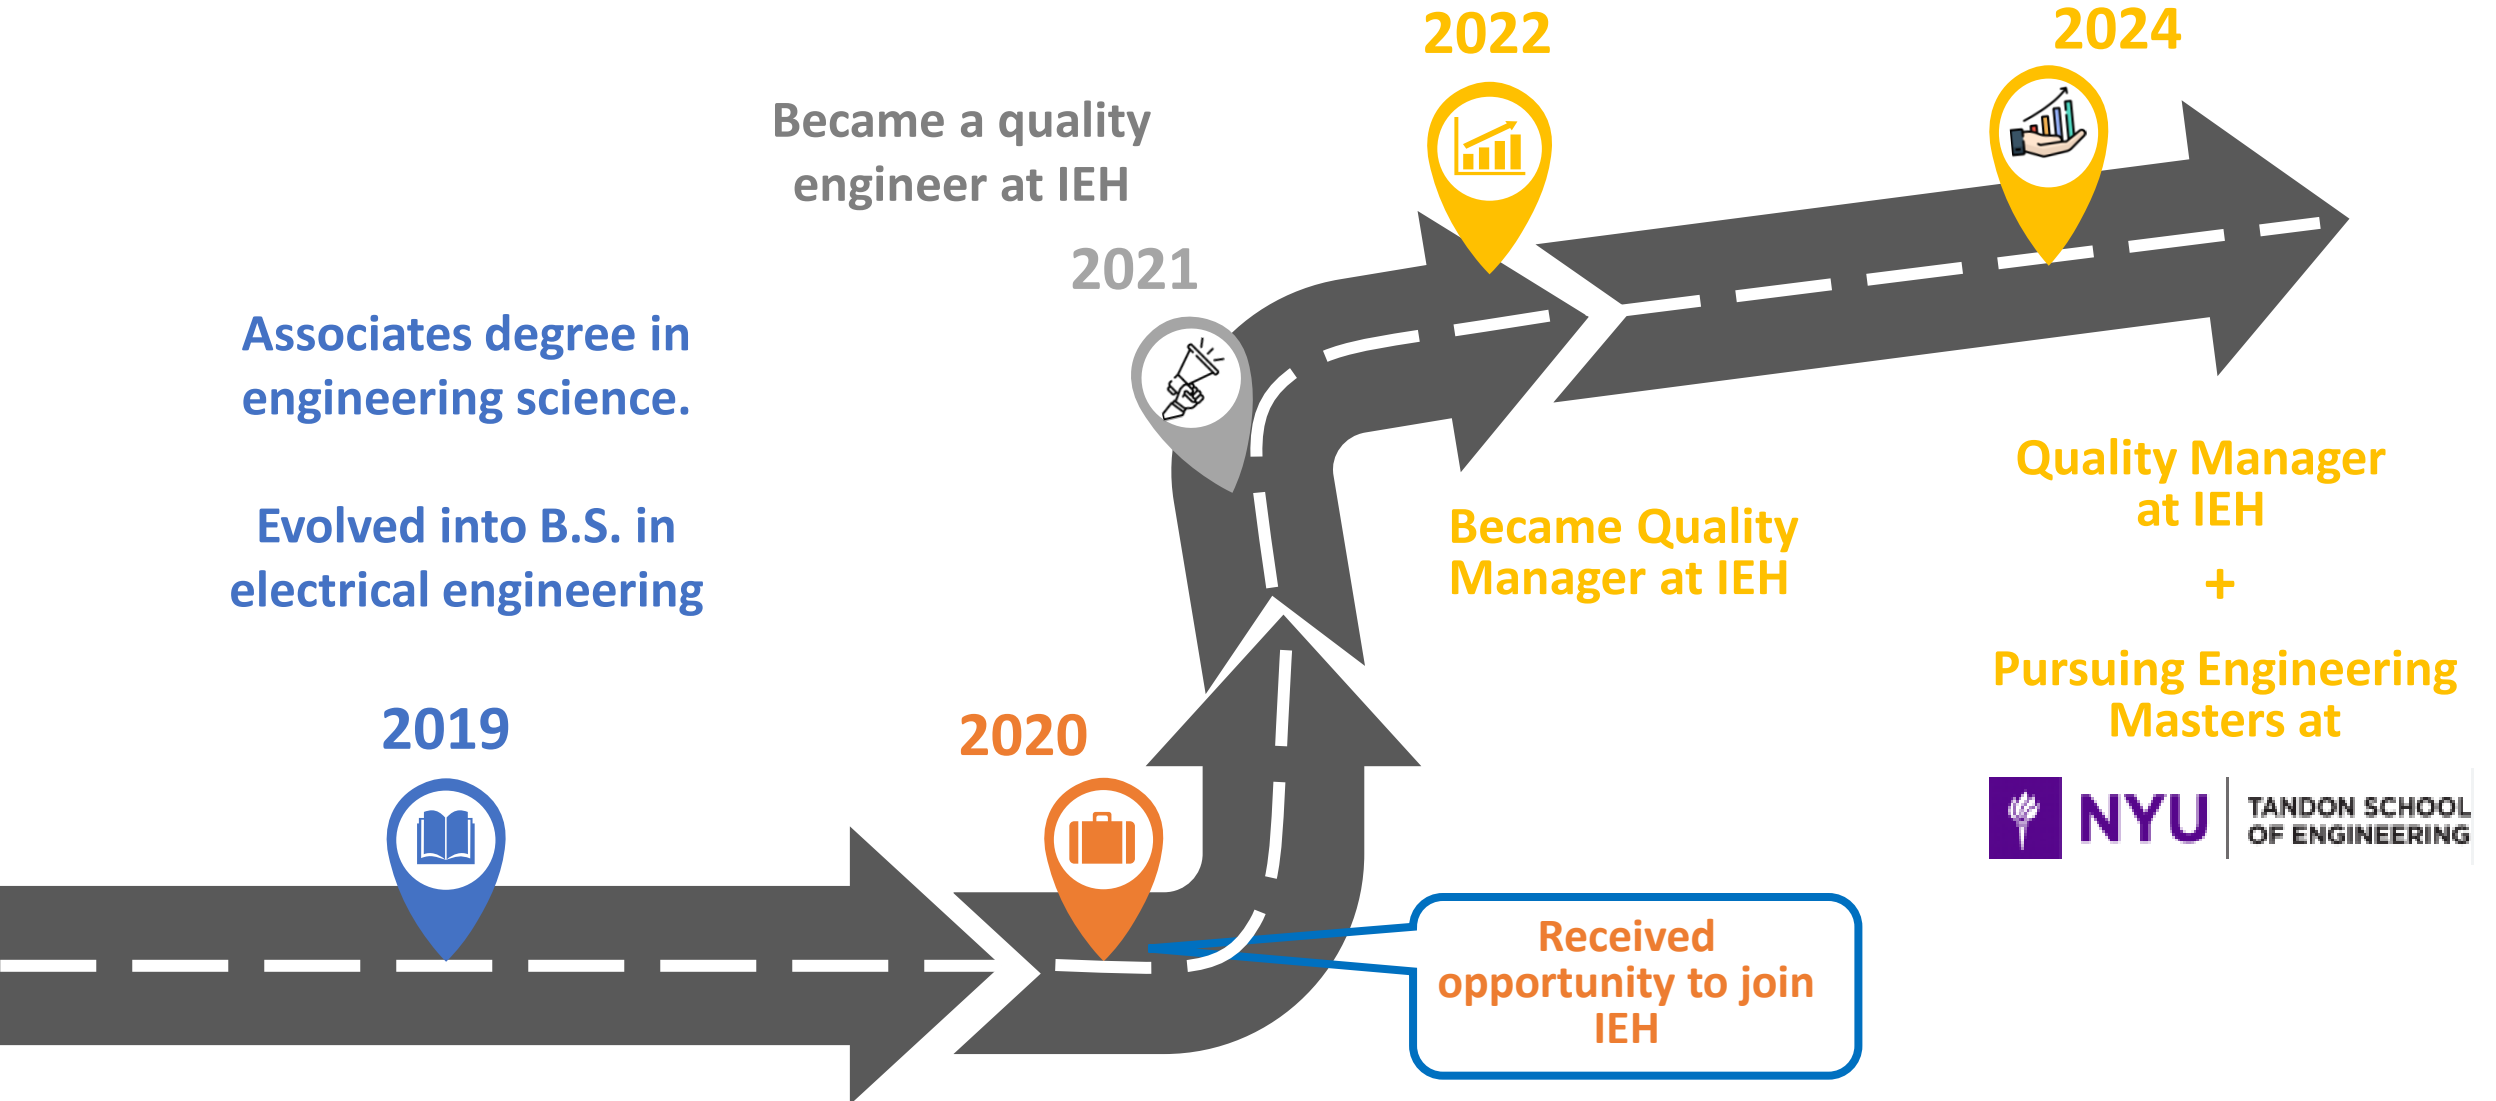

Mohamed Shalaby

Industrial
Electronic
Hardware

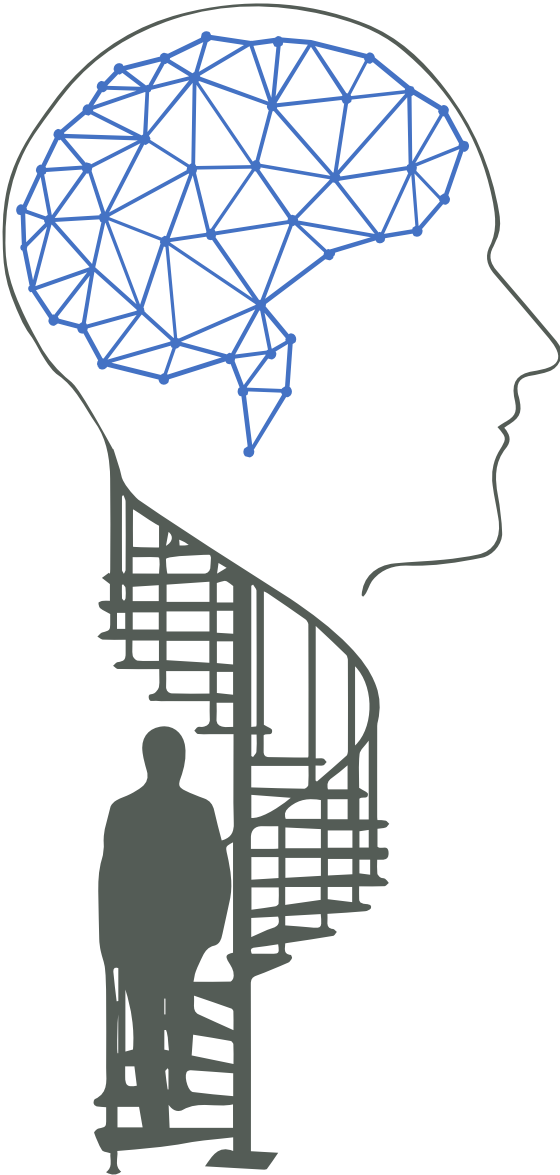

March 13, 2024

How did I end up here?

Methods of Success

Effective
listening

Asking
questions

Taking notes

Staying focused

Continuous
learning

Risk Management

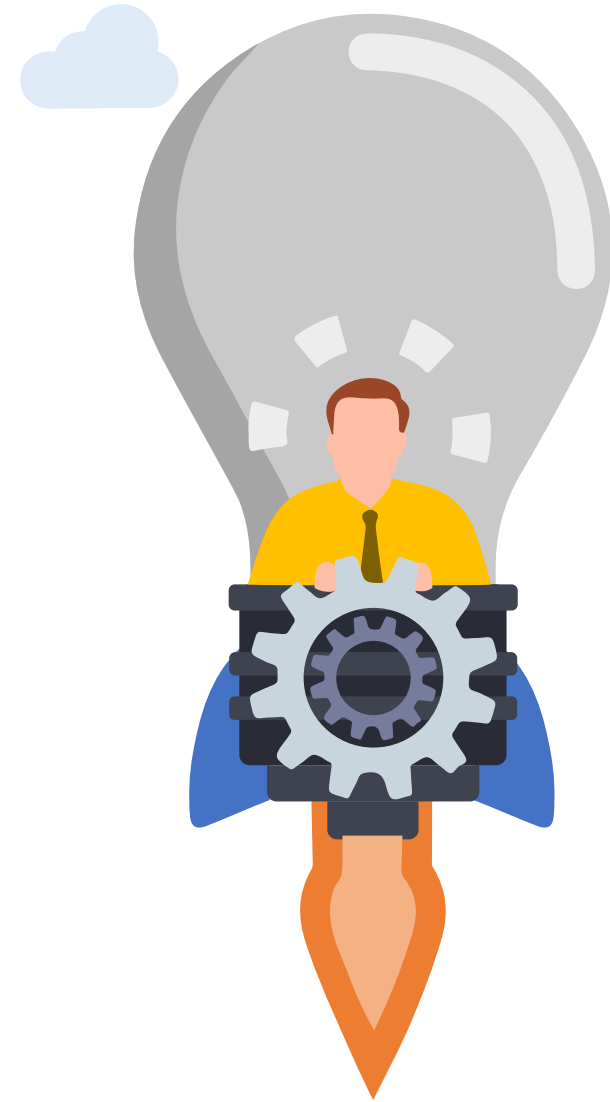

- Be Proactive
- Identify Risk
- Assess Risk
- Mitigate Risk
- Plan for Contingency

Lessons Learned

Build a Collaborative Culture

- 1 - Build Relationships and Build Trust
- 2 - Communicate
- 3 - Own your Mistakes
- 4 - Be helpful

Mentorship

Disruptive

- Limited Knowledge Sharing
- Poor Communication
- Micromanagement
- Failure to provide Constructive Feedback
- Unwillingness to Acknowledge Mistakes

Constructive

- Collaboration
- Effective Communication
- Cross Training
- Continuous Learning
- Open minded to Ideas and Improvements

What keeps me at

Meaningful Work

Culture

Learning Flexibility

Willingness to Invest
in Improvements

Growth Opportunities
