Must register on or before 5 pm April 15 for security needs

Please join APICS New Haven Chapter and ASQ New Haven Chapter for this outstanding tour

Honeywell Fire Safety, based in Northford, CT, is a global leader in the following lines of business:

- Provides a full range of fire alarm solutions through distribution for industrial, commercial and residential markets.
- Provides world-class gas, fire and smoke detection products.
- Provides Life care solutions products that include remote patient monitoring as well as care feedback products that serve clinical partners, end users and hospitals.

Honeywell Fire Safety businesses design, manufacture, and market over 40 product families including:

- Conventional and intelligent fire alarm control panels
- Sensors and transmitters
- Toxic gas detection
- Power supplies
- Intelligent/Addressable Devices
- Medical peripheral devices
- Telemonitoring
- Voice evacuation
- Controller Systems
- Personal protective equipment

All products are designed and manufactured to meet rigorous international approvals such as UL, FM, NFPA, EN54, LPC, and Lloyd's of London

Please note the following requirements:

- Limited spots available on first come first serve basis.
- Competitors are not allowed to attend the event
- Cameras / Phones will not be allowed during the plant tour.
- Closed-toe shoes required, safety glasses provided on loan.
- Park near the employee entrance on side of the building, find a spot where available.

Follow signs for ASQ & APICS Plant Tour gathering in Lecture room.

Chairman's Remarks

This month, we will join the APIC and New Haven section of ASQ at Honeywell Fire Safety Headquarters plant in Northford, CT. Please join us and either notify via email to tomane723@aol.com or go direct to the APIC's web-link and register online.

We are continuing to look at different options for interesting site visits and welcome inputs from the section members on topics of specific interest..... If, you know of anyone interested in conducting a brief discussion at one of the ASQ 0301 meetings, please reach out to david.steeves@pb.com.

Thanks,

David Steeves

Programs

Meeting are usually on the second Wednesday of each month.

Certification

Certification prep courses run in the fall, winter, and spring. For details on certification, see www.asq.org/certification/ to confirm dates and register for the certification exams.

For further information, please contact Mike D'Onofrio at mikedonofrio301@yahoo.com, or 203-570-36

Scholarship Opportunity

Once again, the Southern Connecticut Section will award a \$1000 scholarship in June 2019. The scholarship application is attached to this newsletter. Mail your completed application by May 1, 2019 to Cynthia Scheetz at 246 Terrace Avenue West Haven, CT 06516, or submit by e-mail to redfreckles31@yahoo.com

This scholarship is open to all students in general as well as the individual members of ASQ 301 Section and their spouses, children and/or step-children, excluding current ASQ 301 Section Scholarship Committee members their spouses, children and/or step-children.

The scholarship is a one-time \$1,000.00 stipend to be awarded to a selected individual who meets the following criteria:

- Is (or plans to be) enrolled in a post high school academic degree program in 2019.
- Can demonstrate above average academic achievement and leadership.
- Is actively involved in student and community organizations.
- Has a clear goal for contributing to the improvement of society.

American Society for Quality – Southern Connecticut Section
