### *Chairman's Remarks*

I would like to take a moment and wish all the section members a ***Happy and Safe holiday season!*** We are about to enter the 2020's....

This final meeting of 2019, we will have a speaker from our section, a person I've worked with at Pitney Bowes for over 30+ years. He is a Product Quality Manager for the Send Tech portion of the company. He is a Master Black Belt and enjoys teaching folks the skills of Quality Management.

*Happy Holidays*
